

Michael Langley background

Currently, vice president and general manager for Pepsi Bottling Ventures in Salisbury, he is very active in our community. Currently, he is a member of the board of directors for the Lower Eastern Shore United Way, the Maryland Governor's Well Mobile, and the Greater Salisbury Committee as well as serving on the Selection Committee of Leadership Maryland and on the legislative affairs committee of the Central Delaware Chamber of Commerce.

He is a 2008 graduate of Leadership Maryland who has chaired GSC's County and Municipal Revenue Task Force, served on the Eastern Shore March of Dimes operational advisory board, the Salisbury Chamber of Commerce's recycling committee, and the City of Salisbury's environmental policy advisory board.

Prior to his position at Pepsi, he was the zone vice president for the Sara Lee Bakery Group of Orangeburg, SC. Previously, he was a corporate business analyst and project manager for Pepsi Bottling Ventures in Raleigh, NC, the regional sales manager for Pepsi in Goldsboro, NC and the business unit manager for Coca-Cola Bottling Company in Conway, SC.

Mike received his BS in business administration at Mount Olive College, his MBA at Campbell University, and did post graduate work at Indiana State University in technology management. He and his family live in Fruitland.
